

DO NOT CALL THE OFFICE with a Correction!

Please Email your Club Director with the correction.

For Tournament Results:

Please write down your match scores at the tournament. Please before leaving the tournament

Check the posted pool sheet for correctness - Scores, Matches, Games and Place.

The result for the tournament will be posted on the web site as soon as ALL sites (Directors) have returned the (scoresheets) paperwork. Please "Thank" your Site Director.

Please compare the results page with your tournament results, email your Club Director if there are any errors with the information below. Your Club Director will email SCVA (Robert and Mel) for a correction. By checking the results as soon as its posted, will help me to make any necessary correction before the next tournament post. THANKS!

If the results of your pool are posted INCORRECTLY on the web site, this is the information I need - Age Division, Club Team name, Pool number, Site, Match Number, the correct scores and/or result and the opponent.

Please give as much information as possible to find your team's pool quickly!

I need the score correction or the place correction if the tie was solved incorrectly!

For example: 18's, Mission Valley 18-1, pool 1, CSUDH, M#6, the scores are reverse, we won/loss vs. Magnum 18-Blue or the match went 3 games 25-19, 19-25, 15-8 we won/loss Not 25-19, 25-19. It was probably was written incorrectly on the scoresheet and the Site director didn't look for a 3rd game or the whole pool scores could be wrong if I cut and pasted in the wrong place on the excel sheet. We do have typo errors like 25-25 or 26-25 which probably should be a 16-25 and numbers that just don't belong like 52 (=25) and 255 (=25) and 25pts unless it's a 3 team pool =15 points as a 3rd game score. Let us know and we'll make a correction.

Mel and I will re-check the scoresheets for confirmation. This take time - Emailing saves time! Thanks!

Thanks,
Robert

TIE BREAKING PROCEDURES

Two-Way Tie Breaker Procedure-

Are Matches records identical? Y

Use Head to Head Results!

No Game percentages!

3-Way Tie Breaker Procedure-

Are all 3 teams' Match Records identical? Yes

Are all 3 teams' Game Records identical? Yes The Tie is broken using the teams' point percentages.

NO

If all the teams have different game records, then the tie is broken on game (Set) percentages.

If two team have the same record then the one team with the different game record is seeded appropriately, and the two teams with the same game record will use point percentages.

NO Head to Head results are used at anytime in a 3-way tie!

Four of this year's Major Rule Changes 2010

- 1 Please review the new NET RULE: Nets are NOT a fault unless the player nets at the top of the net (TOP TAPE) I

while playing the ball.

The below web address will allc PLUS OTHER SITAUTION COVERED IN THE VIDEO!

<http://www.fivb.org/en/technical/multimediareferees/>

Copy and paste the link to your web address area and hit enter.

After you reach the website you will need to advance (twice) using the "Next" arrows on the screen.

On the left of the screen you will see "Net Rule Clip" which

will allow you to see the examples I mentioned. While viewing notice on the left of the screen

(black lettering) it states 2005 thru 2008 ruling

and to the right of the screen (yellow lettering) 2009 thru 2012.

- 2 Player's may touch the opponent's court with any body part above the feet provided the penetration does not interfere with the opponent's play.

- 3 When one team has exclusive use of the court, the other team must either be at its team bench or out of the playing area.

Warming up with balls at the team bench or in the spectator walkways is not permitted.

- 4 The coach will not be able to call "Sub"; this will be ignored by the official. A substitution will only be allowed when the player enters the substitution zone.

Please sub one at a time in the sub zone if there are more than one sub entering

(the other sub(s) would wait just beyond the 10 foot line).

Hope this helps, Robert

2008-09 USA Volleyball Ball Handling Guidelines

Regional Referee Chairs and Representatives:

Below are the USA Volleyball ball handling guidelines presented to referees across the country at the USAV

National Clinics for this season. In recent years, we have encouraged referees to apply consistent ball handling standards. The following guidelines, taken directly from the FIVB, should assist in that endeavor since consistency within a match, from match to match, and from referee to referee throughout the season is our goal. Again, these guidelines are being presented to referees across the country.

NOTE: These guidelines do NOT imply that "anything goes" or that "we aren't calling anything"! Referees should be cautioned about making such assumptions. Decisions must be made on all contacts, and even spectacular plays may need to be whistled if the contact is blatantly or flagrantly illegal. Likewise, these guidelines below are not changes to the ball handling-related rules; instead, they are philosophical guidelines for the consistent application of those rules.

It is important that you share this information with the referees, teams and coaches in your region. It is equally important that you remind coaches that they may not question judgment decisions, including ball handling calls, by the referees. Expressing contempt for a referee's decision, attempting to influence the referee's decisions, or otherwise exhibiting disruptive behaviors, are subject to sanction. Also review page 4 of the USAV rulebook (Domestic Competition Regulations) regarding the referees' role in a volleyball match.

FIVB Ball Handling Guidelines for Referees:

In accordance with the spirit of international (and USAV) competitions, and to encourage longer rallies and spectacular actions, **only the most obvious violations will be whistled**. Therefore, when a player is not in a very good position to play the ball, the first referee will be less severe in his/her judgment of ball handling faults. For example:

The setter running to play the ball or forced to make a very quick action to reach the ball in order to set.

The players are forced to run or make very quick actions to play a ball after it has rebounded from the block or from another player.

The first team contact may be freely made except if the player catches or throws the ball.

Guidelines for overhand passing ("setting") actions:

When the setter is in good position to play the ball, excellent contact is expected (with respect to the level of play).

When the setter is running or jumping to get a better position to set the ball, the referee should be less severe in judging contact. (A jump-set does not equate to an automatic "no call" situation.)

If the setter, or other player, is not in good position because he/she has not made an appropriate effort to do so, judgment should not be less severe.

Referees must also avoid making "automatic calls". For example:

A ball recovered from the net -- the ball often rebounds slowly on these plays, but that does not automatically result in a caught/thrown ball.

Plays made from strange body positions.

Skills attempted by lesser-skilled players.

Referees and participants should recognize that there is no body position or technique that cannot result in a LEGAL contact of the ball.
